

Babergh East, Police and Parish Forum

Hadleigh Locality

Meeting Minutes: 14th June 2023, Claydon Village Hall

Trott Ward addressed the meeting outlining that the format was for all Parishes and parishioners to attend the forum, this was our chance to bring forward any issues in your local areas, which can then be brought and discussed with the Local SNT team, and taken forward for action.

A question being asked, who can attend, parish councillors, parish clerks, anyone who the parish council wish to send on their behalf, and parishioners, yes the doors are open to all, make use of your quarterly meeting with your local police force, in fact, nearly every meeting someone brings forward information or has their chance to talk to the police, one to one.

Holbrook Speeding, tickets issued
Hadleigh Benton Street speed checks
Stoke By Nayland speed checks

Anti social behaviour in Hadleigh has started to reduce, car parks remain a priority

Positive outcomes lead to positive comments from local residents

Motor bikes, great Blakenham quarry and Bobbits lane issues, work in progress trying to clear these areas, these areas have markers on them for a faster response when people have been found riding motorbikes on them.

Special Constables have been going out once a month with speed guns where we are unable to site a camera van, they have the same powers to issue tickets and have been going out with the hand held speed guns where required

Open Meeting

Robin Coates Wherstead
Bobbits Lane, following on from our meeting with the issues over at Bobbits lane, we still need to resolve the situation of the bike riding
Jimmy s Farm Break in, tools taken from new build site

Steven Wells Witton Parish Councillor
Footpath blocked off in Claydon Barham to stop riders accessing the quarry pit and causing nuisance, Thank you for the police assistance, struggling to find an alternative location for dirt bike use.

There are lawful sites that can be used but they have to have insurance and pay to use them sites which is why these people use the places and they have an app showing sites they can use unlawfully, Blyborough springs to mind

Any motor bike used off road and causing a nuisance can be warned first and a section 59 issued, if they get stopped again in any vehicle the vehicle can be seized.

Footpath had been blocked off to stop bike access as the bikers were disturbing wildlife and badger sets.

John Hinton East Bergholt, Threshold of getting a camera van to certain areas, speed van has to have clear line of site and be safely parked to operate. Road strips are used to survey traffic speeds which the data would then dictate if a camera van is needed.

East Bergholt have a new traffic Management Survey released

New developments will increase traffic in Bergholt and Brantham

Councillor for Claydon

Speeding in Claydon, does not seem to be addressed, going to Great Blakenham Business park, speeding around the roundabout entering Claydon revving engines and back firing, under the A14, 1 car backfired 6 times, Nothing reported on line so please phone in or online forms so the police can record it and gives them time of day etc, please report it so the police are aware of the problem and when it happens, that way the police can identify the issue and culprits.

Steven Wells, Whitton Parish Councillor

We identify vehicles using the bus gate, would this be better to report it online, but if we are getting the information already then we can see how we can put measures in place

Jeremy Lee, Speed watch may be of use if we linked up across parishes.

If there are any Parishes that want to start a speed watch or know more about it they need to speak to PC Kate Jarrett Community Liaison Officer for information and advice

Suffolk County Council have the ANPR Speed Indicator Devices available for use

There was a recent run of thefts from churches, most items recovered and the culprit under investigation

Mary Flowton Theft of cars, is that from driveways, yes more of luxury Range Rovers etc, but please make sure your vehicle is locked.

Lots of vehicles theft from motor vehicles, most are left unlocked as no damage is done

Trott Ward Thanked Hadleigh Town Council for the use of the hall
