

# 2017 Annual Village-Parish Meeting

Tuesday 23<sup>rd</sup> May in the Village Hall starting  
at 7pm.

Many of the village groups and organizations are invited so that they can let you all know what they have been doing over the past year. It will also be a chance to recruit new members.

This is **NOT a Parish Council meeting** but a friendly and informal meeting for all residents. However, only those who are registered electors for this parish can vote on issues that may arise.

There will still be a 'loose' agenda and the meeting will be chaired by David Cordle, Chairman of the Parish Council. Your Suffolk County Councillor and District Councillor will be on hand to answer any questions you may have. Refreshments will be available.

**But most important of all, this is the time for you to voice your opinions and to make suggestions about what you would like to see happening within your community OR what you don't want. Here are a few ideas .....**

- *Speeding/traffic*- traffic calming measures.
- *More parking facilities* – another car park? A Traffic Warden?
- *Mobile phone mast* - update
- *The Playing Field*: future play equipment; keep fit equipment; more Volunteers?
- *Policing on the Peninsula* – Your views
- *Community Orchard and Footpaths* -Volunteers
- *Land Trusts* - for future development

**If you would like anything specific put on the agenda then please get in touch.**
