## **MASONS MATERIALS RECYCLING FACILITY (MRF)**

### **Adult visits – basic information**

- 1) Maximum number of visitors at any one time is 10, minimum number is 8.
- 2) Visits are usually on Tuesdays, Wednesdays or Thursdays; if a Monday or Friday are preferred then this can be arranged.
- 3) Visits start at either 10am or 2pm and last for 2 - 2 1/2 hours
- 4) All visitors to the Materials Recycling Facility (MRF) are required to wear sensible shoes and clothing suitable for an industrial environment.
- 5) Persons with pacemakers may not take the tour round the plant but they may take part by attending the initial presentation, listen to the commentary from the tour, watch a DVD of the plant in operation, and see the CCTV camera display.
- 6) All transport **MUST** remain on site for the duration of the visit in case it is required for an emergency evacuation. The driver of the transport (coach or minibus) has the option to join in with the visit; otherwise he / she **MUST** remain on the vehicle.
- 6) Tea and coffee are provided.
- 7) There is no charge for the visit.
- 8) You can bring cameras for your own photos, but no videos allowed.
- 9) Approximately 2 weeks before, or the nearest scheduled group meeting prior to the visit, a final confirmation letter with site policy and directions will be sent out to pass on to those attending.
