Good morning Parish Clerks,

Please see press release below and attached and share with your counsellors or any other interested parties.

PRESS RELEASE AS OF 20th AUGUST

Please find attached a press release encouraging people to get organised and register to do a beachclean or litter pick in the Suffolk and Essex National Landscapes in September as part of the Marine Conservation Society 's Great British Beach Clean and new Source to Sea Litter Quest.

These National Landscapes, the Coast and Heaths and Dedham Vale Areas of Outstanding Natural Beauty, have seen a rise in litter being discarded at beauty spots, since lockdown measures were eased.

By working together with local authorities we hope to improve the situation on the ground, so these outstanding landscapes are places which are good for wildlife to thrive and people to enjoy. Local Authorities are supporting us and can provide information on litter picking equipment and disposal of litter bags.

If you'd like any further details please don't hesitate to contact me.

Kind regards,

Emma Black

Countryside Projects Officer

(Please note, I don't work Fridays)
